

## Sage Orienteering Club

### Membership classes and fees for 2009

All participants must be members for insurance purposes and all participants must sign the waiver form.

Membership class	Single	Family (>1 person)
Club	10	20

Club membership entitles the holder to participate in all Club events.

Sage O Club is charged insurance and participant fees by the Orienteering Association of B.C. and the Canadian Orienteering Federation. Our membership fees cover these charges and other operating costs. The rates are kept as low as possible to make the sport affordable.

**All members must sign a meet waiver each time they participate in an event.**

#### Event fees:

*Sage C event fee:* participants must pay the membership fee of \$10 (that includes the \$5 map). They pay only map fees at the second event of \$5 per map; participants can share maps if they wish.

SI sticks: no fee for loan, but if lost the participant must pay to replace the stick

If a family of 4 wishes to take part in a C event, they must pay the membership fee of \$20 plus \$5 per map. They pay only map fees at the second event.

If a visitor from another club wishes to take part in a C event, they are charged the map fee only.

If a group wishes to take part in a C event (e.g. Girl Guides), the group pays the family rate (\$20) plus map fees. The waiver for each participant should be signed by the group leader. C meet organizers can negotiate a reduced map fee if the group is large and maps are shared (>5 participants).

*Other events:* the entry costs vary from \$10 to \$25 with juniors at half price.
